

BUSINESS GAME REGULATION

Art. 1: Participation requirements

The participation to the JETN Business Game – Trento 2019 is subject to the possession of specific criteria that need necessarily be respected at the time of the registration and of the participation to the event. These criteria are:

- To have successfully completed the selection process;
- To be enrolled in a University course (PhD is included).

JETN maintains its prerogative to change the participation requirements.

Art. 2: Registration

Registration will be conducted through the compilation and submission of the module developed by JETN.

The registration is allowed during the two selection rounds. Any other registration after the end of the second round will not be considered.

The participation is conditional upon the payment of a €50 (fifty,00) participation fee from each participant. All the activities, lunches, dinners, the final ceremony and gadgets are included. More information about the payment will be given in the confirmation email.

After confirmation and payment, the participation fee shall not be reimbursed in case of non-participation, irrespective of its cause.

Art. 3: Responsibility

JETN is absolved of all responsibility concerning civil and/or criminal damages and/or changes to things and/or to the host structure.

Each participant assumes civil and/or criminal responsibility for civil and/or criminal damages and/or changes to things and/or to the host structure, delay or other untoward events that can be caused by his/her behaviour during the Business Game. In the event that a participant causes damages to the host structure, he/she is obliged to pay damage compensation.

Art. 4: Deposit

During the check-in (morning of Friday 12th April), the participants are required to leave a €20 (twenty,00) deposit to a JETN representative. The deposit will be refunded at the end of the Business Game if they will attend the organized activities.

Art. 5: Behaviour and dress code

Each participant commits to maintain appropriate behaviour and a proper dress code for the entire duration of the event.

The dress code required is formal for the business cases and elegant for the final ceremony.

Art.6: Processing of personal data and CVs

Through the registration, the participant accepts this regulation. Participant authorizes JETN of sending the registration module (with the personal data, the CV and the cover letter or video presentation) to the enterprises that powered the Business Game.
