Purposes of data processing

Your personal data will be processed:

a) with your consent (art. 7 GDPR), for the following purposes:

- marketing activities, including distribution of information and promotional material, sending newsletters and publications;
- organizational activities related to the event “Business Game 2020”;
- profiling of participants of the event by participating companies;
- compilation of satisfaction surveys of the event and alike;
- send information to the interested party regarding the details of the event.

b) without your consent (art. 6 GDPR), for the following purposes:

- comply with legal provisions and regulations (both national or communitarian), or execute an order of judicial authorities or supervisory bodies to which the joint proprietors are subject.

The provision of data for the purposes mentioned in section a) follows the completion of the online registration form of the event, however you may decide not to provide your consent, or revoke it at any time – such choice will result in the inability to participate in the event.

The provision of data for the purposes mentioned in section b) is mandatory. The lack of data and/or the possible expressed refusal to the procession entails the possible violation of competent authorities' requests.

Categories of processed data and addresses

Within the processing purposes referred to in the previous paragraph, data concerning name and surname, date of birth, nationality, mail address, university and study course, food intolerances and curricula vitae will be processed.

The addresses of the data communication referred to in previous paragraphs are only the Data Controller and possible Delegates, appropriately trained and enlightened of restrictions imposed by legal provisions concerning personal data protection.

Data retention period

The personal data collected, with your consent, for the above purposes, will be processed and stored for the duration of any relationship established.

From the date of termination of such relationship, for any reason or cause, the data will be kept for the duration of the terms of the law applicable according to the law.

Exercisable rights

According to GDPR, articles from 15 to 22, you can exercise the following rights:

- **Right of access** – The data subject shall have the right to obtain from the controller confirmation as to whether or not personal data concerning him or her are being processed, and, where that is the case, access to the personal data and the following information: purposes of processing, categories of processed data, data retention period, addresses able to receive such data (GDPR, article 15);
- **Right of rectification** - The data subject shall have the right to obtain from the controller without undue delay the rectification of inaccurate personal data concerning him or her (GDPR, article 16);
- **Right of erasure** - The data subject shall have the right to obtain from the controller the erasure of personal data concerning him or her without undue delay, in accordance to GDPR provisions. (GDPR, article 17)
- **Right of restriction of processing** - The data subject shall have the right to obtain from the controller restriction of processing, according to GDPR provisions (GDPR, article 18)
- **Right to data portability** - The data subject shall have the right to receive the personal data concerning him or her, which he or she has provided to a

controller, in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller without hindrance from the controller to which the personal data have been provided, following GDPR provisions (GDPR, article 20);

- **Right to object** – The data subject shall have the right to object at any time to processing of personal data concerning him or her, unless there are legitimate reasons for the controller to continue the processing (GDPR, article 21).
- **Right to complain to the supervisory authority** – The data subject shall have the right to complain to the supervisory authority responsible for personal data protection

Processing methods

The processing of your personal data is carried out by means of the operations indicated in article 4, n. 2), GDPR - performed with or without the aid of computer systems - and precisely: collection, recording, organization, structuring, updating, conservation, adaptation or modification, extraction and analysis, consultation, use, communication by transmission, comparison, interconnection, limitation, deletion or destruction.

In any case, the logical and physical security of the data and, in general, the confidentiality, integrity and availability of the personal data processed will be ensured, implementing all necessary technical and organisational measures.
